Update Screen

The screenshot shows a window titled "Fares Update". It has several input fields and checkboxes. On the left, there are "Low Fare" and "High Fare" fields with "Min" and "Max" labels respectively. Below them is an "Increase" field with the value "12". To the right of these is a dropdown menu currently showing "Christchurch". Further right are checkboxes for "Rounded" (checked), "Decrease" (unchecked), and "Percentage" (checked). To the right of these are radio buttons for "5" and "10", with "5" selected. Below the radio buttons are checkboxes for "Up" and "Down". At the bottom of the window are three buttons: "Update", "Clear", and "Exit".

Enter the Lowest Fare and the Highest Fare you wish to Update
then enter the amount of Increase
(Increase can be up to one decimal place when Percentage is ticked)

A close-up of the dropdown menu showing the text "Christchurch" and a small downward arrow on the right side.

Click to Select the Area to be Updated

A close-up of the "Update" button.

Click to execute the Update
